

QUEENSLAND AMBULANCE STATION

📍 COOMERA

- 👤 Client Name: Queensland Government
- 📅 Status: Completed May 2013
- 👤 Construct Only
- 💰 Value: \$2.52m + GST
- 📋 Category: Building /Community & Infrastructure

Project Details

Alder Constructions were engaged by the Department of Community Services to construct this state-of-the-art Ambulance Station in Coomera.

The facility became the benchmark for further QAS facilities that were constructed throughout Queensland by the Queensland Government. Alder Constructions completed the project on time and budget.

Works Undertaken

Some of the key components of this project were:

- New traffic lights to and separate entry point off Foxwell Road, Coomera, which carries approximately 10,000 vehicles per day
- Full male and female staff facilities including rest rooms, showers, kitchen facilities, meal areas, staff rooms, locker rooms including disabled compliant facilities
- Communication facilities that co-ordinate with all emergency services, fleet vehicles and medical facilities
- Medical supply and drug secure security areas
- Energy efficient building with a full energy rating including solar and water capture systems
- Backup electricity equipment so that the facility would still be operational in case of electrical failure
