

Zupp Place Lobby

ZUPP PROPERTY GROUP | SOUTHPORT QLD

Zupp Place is located on Marine Parade, overlooking the Southport Broadwater and Parklands. The project comprised of a complete refurbishment of the ground floor lobby, front entry, amenities, rear entry and Level 7 base building upgrade.

The end result is an impressive display of architectural design to a high quality standard which has put the building in the premier commercial grade of Southport, adding significant value to the owners and occupiers.

PROJECT VALUE:

\$1.24m

SECTOR:
BUILDING // OFFICE

DELIVERY MODEL:
CONSTRUCT ONLY

PROJECT HIGHLIGHTS

- Complete demolition of all existing finishes including the existing lobbies and amenities
- New tiling and pavements.
- Natural stone cladding to walls.
- High quality finishes.
- New illuminated signage and correlating feature lights.
- Complete façade makeover with the use of aluminium composite panel.
- Architectural and structural design input and detailing.
- Compliance with difficult access and loading restrictions.
- Coordination with existing tenants as the building remained fully operational during the construction period.
- Preparation and implementation of staging plans throughout the project to allow existing businesses to continue to operate throughout the project.
